January 2010

## Notes from the Piney Woods of East Texas

### . Special Guest

. PIP Ebb  
Grindstaff will  
be attending the  
Midwinter  
Conference in  
Canton.

Happy New Year to all the Lions of District 2-X2, I hope you all had a Merry Christmas and you received all you wished or asked for. The first six months of my term as Governor were very busy. With only nine more club visits to make in January and February it should be a bit slower. My goal for the last half of my year is to try and re-establish active clubs in our District. The clubs are the Liberty City Lions Club and the Naples Lions Club. The number of clubs and Lions in District 2-X2 has been declining over the past few years, and as we all know as Lions, to continue to serve our local communities and the international community we need to retain our current membership numbers, recruit new Lions and seek out additional areas in which to establish new clubs. International President Eberhard Wirfs theme "Move to Grow" is a challenge for all Lions to be proactive in seeking out new potential motivated individuals with in our local communities to continue and promote the Lions motto "We Serve".

The Mid Winter Conference and Third Cabinet meeting is scheduled for January the 16th at Canton. I encourage all clubs to be represented at this meeting. This meeting is the last District meeting prior to our District Convention in April. This is an excellent opportunity to renew old friendships, meet new Lions and find out what other activities and service projects the other clubs across the district are involved in, and to enjoy fellowship between other Lions. The meeting promotes the exchange of ideas and different ways to retain members, increase membership and better serve our local communities. This combined with the just plain fun we have as Lions makes for a very entertaining and highly informative meeting. The keynote speaker will be PIP Ebb Grindstaff. He is knowledgeable in all aspect of Lionism.

The District is involved in some projects that will require the participation of all clubs. We need input from all clubs. This is your club's chance to be heard. Plans for the bus trip to the Lions Camp and for a District 2-X2 Frontier Village type camp site at the camp will be presented and discussed.

The Canton Lions are sponsoring a 5K run/walk. Registration forms are included in this news letter. The annual camp walk will also be held. The registration form is also included in this news letter. The money collected for these events will be designated for the Frontier Village Project. The Camp Walk Patch this year will be to honor PDG Happy Jack Wakin of the Wake Village Lions Club. We also need items for the silent auction. I strongly encourage all clubs to attend this meeting.

Written selections for the District Hall of Fame need to be in to Vice Governor Lynn Nacol NLT January the 16th. Resolutions need to be turned in at registration for the committee to make their selections. They can select a total of five, one per Region, to be presented at the District Convention.

I have visited 36 out of 45 clubs and I'm proud to report they are all very active in their communities in numerous ways. Congratulations all the clubs of District 2-X2, and thank you for your support in 2009. May the Lord Bless and Keep you all,  
Happy New Year,  
DG Sandy

## Travels With Vice Governor Lynn

Greeting to all Lions of 2X2 and others who enjoy reading our newsletter: I enjoy reading ours like other do. Keep up the good work April and others that send articles.

My last article in November newsletter said my

travels have come to a halt. November and December has been a time to relax and reflect on what I have learned. Yes, a lot of reading and reflection will help me to be the Governor of 2X2. I thank Governor Sandy for all the support and assistance he has sent my way.

Time has arrived for me to start thinking about my leaders and chairmen for my governor year. I am looking for Lions that want to serve with me. If anyone has a position or job they would like

to hold please let me know either in person or in an email. This is still Governor Sandy's year and we all need to continue to support and assist Governor Sandy in any way possible.

When you receive this newsletter, I will begin to start traveling. The Mid-winter conference is upon us. I am looking forward to seeing many of y'all in Canton. Then I will be going to the 3rd. Council of Governors in Kerrville Feb. 5-7. I am looking forward to learning more at that meeting.

Then in March is the 2X2 BBQ.

By the time this newsletter arrives we will have celebrated Christmas and New Years. I hope all the Lions of 2X2 had a blessed Christmas and remember the true meaning of Christmas. I am wishing for all the Lions of 2X2 to have a blessed 2010. May the Lord continue to bless the Lions of 2X2, their families and all the service men and women away from their families.

Emelly was born with a chromosome disorder that resulted in her being intellectually disabled, unable to move and afflicted regular with seizures, she was unable to sit upright and indicated little, or no, awareness of activity or people.

With grant funding made possible from LCIF, Emelly attended a program at the Houston Therapeutic Equestrian Centers, whose mission is to improve the quality of life for people with disabilities through therapeutic horseback riding and related activities.

Since participating in the

therapeutic riding program, Emelly has developed sufficient strength to sit upright. Her breathing has improved and the seizures are much less frequent.

"We're so grateful to the Houston East End Lions in Texas who helped make this program possible

for our darling Emelly. I know that Lions do so much to help children," said Maria, Emelly's mother. "It really is difficult to describe the benefits of the therapy, but quality of life for Emelly and all our family members, has improved so much. We anticipate continued improvement with this invaluable therapy."

## A Message From International

We are making great progress in and are seeing very good results as we MOVE TO GROW our great association. It looks like our membership results through November will be double the results for the same period last year, and the best in 10 years.

What has impressed me the most is the possibility of a remarkable 'turn around' story in the USA with membership and new club growth.

Yes, membership is still at a net loss of about -2,400 in the USA, but that's the best result in many, many years - and there's been no other point in recent time when America has been within such close reach to achieving net growth.

Indeed, this could turn out to be the year of the great 'Lions turn around' story in your great country - a country that has personally inspired me ever since I was befriended by American soldiers as a boy and when I first came here as a young man to learn how to 'move' my family's food business into the future.

Movement requires momentum to propel things forward, and my dear Lion friends in the USA, if you look at the past six years, you are clearly moving in the right direction.

Membership results through November:

2004: - 6,344 net loss

2005: - 5,321 net loss

2006: - 4,362 net loss

2007: - 2,676 net loss

2008: - 3,860 net loss

**2009: only a -2,400 loss**

New club formation has also increased by nearly 20%, and I've heard from hundreds of club leaders in the USA about new actions in existing clubs to bring in new qualified members, strengthen PR and club visibility and creatively expand their services at a time of growing needs. I am absolutely convinced that this could very well be a historic year -- a year that will usher in the beginning of an era of renewed expansion.

The Lions of America provide more service than any other area, and your growth in the future will mean so much to so many. It will mean hope to many who today don't see a positive future, and happiness for many who do not

always know where to turn for help. Your clubs provide an astonishing 7.5 million hours of community service each year, and provide more than \$120 million annually in funding for humanitarian needs. These are truly remarkable achievements, and they are an example for Lions the world over.

As we enter December, we are approaching a critical juncture. It will be important to continue our momentum, this month in particular, if we are to continue closing the gap and to move ever closer to achieving a turn-around-year that will long be remembered.

To keep you motivated, let me share some good news and some ideas:

Starting in January, a 1000 Lions billboards will begin appearing across the USA in 30 markets, reminding the public or who we are and what we do.

**Lions In Sight** Public Awareness campaigns will be organized by many clubs throughout the country during the last two weeks in

January. Check here for more details.

[Extension workshops](#) and new club consultants are ready to help your district in forming new clubs and club branches - so sign up now for a workshop if you haven't done so already.

Clearly we have the tools and the 'know how' -- all we need is continued leadership from you, the Lion leaders of America. I know I can rely on you, and please know I will continue to be with you, moving alongside you, as we strive to make this year the beginning of a new era for Lionism.

What you do in the next couple months will be critical to our overall success. So if you need any assistance from me, please let me know. I will do everything in my power to support you, just as I know you will do everything in your power to MOVE TO GROW our great association.

With cordial regards,  
Eberhard J. Wirfs  
International President

## District 2-X2 Camp Project

Please join our district in its effort to build an overnight camping facility for kids that attend the Texas Lions Camp. We have designated all camp walk funds to go toward the facility but we will still need **YOUR** club's help. Satterwhite Homes has

generously offered the materials and labor to build the store fronts and gate. We have another contractor that has generously offered his and his employees' time to travel to Kerrville to erect the roofs. So, Lions, all we need to do is provide the funds for some of the materials needed. Please come to the Mid-winter to

hear all about this great project. At completion of the project, there will be a sign at the entrance giving **our district** the credit it deserves for the building of this addition. We can't do it without your help. Please become part of this by being at the mid-winter and by making a club donation.
