

The Piney Woods Lion: Service Before Self

February 2010

Volume 1, Issue 8

Notes from the Piney Woods of East Texas

• **Congratulations to Lion Scott Anderson of Canton. Lion Scott was named Leo of the Year for the United States and Canada.**

Hello again Lions of District 2-X2. I begin my last six months of my year as Governor on a high note with a very successful Mid Winter Conference and Third Cabinet Meeting. The conference was well attended with 70 Lions present and 20 Clubs represented. The Canton Lions did an outstanding job, the food was excellent and a good time was had by all. PIP Ebb Grindstaff presentation was excellent. The silent auction, tail twister fines, tee shirt sales, 5K run and Camp walk raised \$ 8,880.00 for the Texas Lions Camp. Despite the rain we had 60 runners and walkers. I wish to thank all the Lions who attended and contributed to the success of this meeting.

I will be going to Kerrville for the Council of Governors Meeting on February the 3rd thru the 7th. Next on the list of important District events will be the District 2-X2 Convention on April the 16th and 17th. Convention will be in Longview at the Hampton Inn on highway 259 north, schedule of events and registration

information will be published in up coming news letters. Our speaker will be PID Bud Wahl from Illinois. PID Wahl's wife Lion Jama, who has been a speaker at the US/ Canada Leadership Forum, will accompany him and may have a few comments for us as well.

The next order of business for me as Governor will to work on re-establishing two former Lions Clubs in our district. My goal at the beginning of the year was to add two new clubs thus far this has not been accomplished. I will begin working on this after I return from Kerrville. Any Lions interested in contributing to this effort please contact me.

The District has a major project in progress to build a Frontier Village type Camping area at the Texas Lions Camp. This project is a District wide effort. We are attempting to form a committee to coordinate all our efforts in accomplishing this. Lion Nancy Van Alstine will be Chairman of this committee and is looking for Lions to work with her on this project. Please contact me or Lion Nancy if you wish to be involved in this effort.

Texas Lions Camp bus trip is your chance to

visit and tour the camp facilitates, watch the kids from District 2-X2 receive their awards, visit Fredericksburg and have a good time visiting with other Lions from across our district. Bus will depart Friday the 18th, stop for dinner on the way, attend awards night, stay over night depart Saturday and stop in Fredericksburg for some shopping. Contact Lion Nancy Van Alstine to sign up for this trip.

The incoming District Governor, Vice District Governor Lynn Nacol of Henderson Lions Club is in the process of searching for Lions to fill position in her Cabinet. There are many ways to fulfill the Lions motto "WE SERVE". One of them is to actually step up to and fill a leadership position within District 2-X2. I encourage all the Lions of our district to seek out new ways to serve. Please contact VDG Lynn if there is any position in which you feel you could contribute to the success of our district.

The Lord's Blessing to all the Lions of District 2-X2.

DG Sandy

Travels With Vice Governor Lynn

Greetings to all the Lions of 2X2:

I hope each and every one had a Happy New Year. I know myself and my family had a good New Year and it brought to mind that I am nearing my year as Governor. I would like to thank Governor Sandy for a

good year. You have lead our district in a very positive manner. I will be looking forward to having a good year as Governor.

I want to send out another "thank you" to the Canton's Lions. They put on a grand conference this past weekend. There was a good turnout for the cabinet meeting and the camp walk. Congratulations goes out to Lion Drew for winning the camp walk in 26 minutes I think. I did my part by walking the camp walk, and it took me a little more than 26 minutes.

This brings me to the

subject of developing my cabinet for my year as governor. I would like to think there are Lions who would like to and would enjoy serving on the District level. Please let me know. I will be contacting people over the next few weeks. If someone feels they would like to serve, please let me know.

Not only I am looking to form my cabinet, I am also looking for some one who would like to serve as 2nd VDG. Second VDG AC Ellis will be looking likewise. I feel it is time for some of the fellow Lions to step up to the plate and Serve.

As this newsletter goes out, I will be down in Kerrville at the 3rd Council of Governors. The meeting will enlighten anyone who attends. Any Lion is able to attend the meeting. During the meeting, a person learns what goes on at the district and state level.

May God continue to bless anyone who reads this article. I am looking forward to have a grand year when I am governor. This can only come true if I have the support from every Lion in 2-X2.

BEST WISHES TO GOV. Sandy Sandberg

A.C.'s Comments

Hello fellow Lions,

It's hard to believe that our year of service is half complete. Time really flies when you are having fun and things are going well. We attended the Mid Winter Conference at Canton on the

16th and all present had a great time. I would like to say thanks to all those members that attended and presented reports from the Zones and Regions. Also thanks to the Canton Club members for being such a great Host.

I have been out of the loop on providing comments for our News Letter as a result of computer problems; but things are back on course ("Thank God"). We had to start from scratch with a new computer.

The Lions of District 2X2 submitted nominations for the District Lions Club Hall Of Fame from four of its five Regions. The criterion allows one member from each region be select for nomination to the hall of Fame. Four nominations were submitted to the District for election at our District Convention in April.

I look forward to Meeting with the Council of Governors at the third council meeting in Kerrville, Texas on February 4-6 2010.

Volume 1, Issue 8

Region one and Zone one held their third zone meeting on January 26, 2010 at Smokey Joe's Bar-B-Q restaurant in Nash. The New Boston Lions Club asked Governor Sandy to install its new members during that meeting.

The New Boston Noon Lions Club hosted its annual Talent Show at the New Boston High School Auditorium on Jan 30, 2010. They had 25 community participants to take part in exhibiting their talents.

TLERC Director Appointments

The TLERC Foundation's Executive Committee discussed the problem we created in having elections for the position of Director for TLERC Foundation.

Rather than have each of you make a District By-Laws change, it was easier for us as a Board of Directors to change our By-Laws in the

manner of selecting a Director from each District.

We have done that and want you to know the **process** we approved so District Governors may appoint a Director to represent their District. Our Executive Committee will appoint all Directors for the first make-up of the Board. This procedure will insure TLERC Foundation a smooth transition in getting qualified Directors to represent

your District.

In 2011, Governors in T1, E1, S2, and E2 will appoint a TLERCF Director to serve a four (4) year term.

In 2012, Governors in T2, X1, A2, and S5 will appoint a TLERCF Director to serve a four (4) year term.

In 2013, Governors in T3, X2, A3, and S4 will appoint a TLERCF Director

to serve a four (4) year term.

In 2014, Governors in A1, X3, S1, and S3 will appoint a TLERCF Director to serve a four (4) year term.

Lions/Wal-mart Eye Glass Recycling Collection

Lions Clubs International is pleased to announce that it has entered into an agreement with Walmart to collect used eyeglasses from the public at specified Walmart and Sam's Club stores throughout the United States. This new program will enhance the Lions Eyeglass Recycling Program, enabling our association to collect increased quantities of usable glasses for humanitarian missions to developing nations.

Commencing January-February 2010, co-branded collection boxes, bearing the LCI, Walmart and Sam's Club logos, will be available in the 2,500 US Walmart stores and

approximately 500 Sam's Clubs, with vision centers. These new boxes will replace Lions collection boxes currently in place at the specified stores. For Walmart stores and Sam's Clubs without in-store vision centers, existing Lions collections will continue at the discretion of the store managers.

Walmart will ship the collected eyeglasses to their distribution centers, where they will then be delivered to the nearest Lions Eyeglass Recycling Centers for sorting, cleaning and processing.

Usable glasses will be available for Lions and other optical missions to developing nations, where the glasses will be dispensed to children and adults free of charge.

The Lions/Walmart co-branded program is aimed at members of the public. Walmart and Sam's Club stores will not be able to accept or ship Lions club collections of eyeglasses from other locations in the community.

If you are involved in eyeglass collection, thank you for your continued support of this project. We encourage clubs to maintain their collection sites throughout the community and send the glasses to the nearest [Lions Eyeglass Recycling Center](#). These collections have had a direct impact on the strength and success of the Lions Eyeglass Recycling Program.

LCI can help to

promote your community collections by posting drop-off locations on the association's Web site at the Club Locator. Clubs can simply provide us with their information via the [Lions Recycle For Sight Club Participation Form](#) and we'll post up to six collection sites. Or, send an e-mail to: eyeglasses@lionsclubs.org.

For further information about the Lions Eyeglass Recycling Program, or to start a collection campaign in your club or district, please contact the [Health and Children's Services Department](#).
